

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday = 30 April 1963

25X1 [redacted] Per previous arrangements, [redacted] 25X1
and John S. Warner met with Jim Kendall and General Shaw of the Senate Preparedness Investigating Subcommittee staff. Also present from the Pentagon were Dave McGiffert and Col. Nigra, DIA. We went through the marked up draft report page by page. There were no real difficulties in connection with any of the CIA points; however, there were problems in connection with some of the deletions desired by the Pentagon relating to operational planning. Kendall indicated he might take these points up with Senator Stennis. In any event, the report will be revised further in accordance with our views and prior to any release will be forwarded again to DOD and CIA.

25X1 [redacted] Met with Mr. Scott Peck, Administrative Assistant to Senator George A. Smathers, to discuss with him a sensitive matter involving [redacted] 25X1
25X1 I indicated to Peck that it would be necessary for us to contact [redacted] and asked him what he could tell me about [redacted] Peck said [redacted] was a very close personal friend of his and a man for whom he had high regard. He warned, however, that [redacted] was a "bull" if he felt someone was leading him on or procrastinating. Peck offered to call [redacted] to advise him that he was getting into some sensitive areas and that appropriate people would be in touch with him very shortly. I told Peck I would discuss this matter further with our people and let him know who would actually be contacting [redacted] 25X1
25X1 [redacted] advised us of an Immigration and Naturalization Service Instruction (No. 204.8) concerning reports to Congress. Murphy advised his staff has been in touch with INS on this new regulation in connection with adjustments of status in certain refugee cases. Immigration believes that [redacted] to these reports. [redacted]
